

# Rebranding Checklist

## Thank you for downloading Digital Silk's rebranding checklist!

Whether a small refresh or a complete overhaul, rebranding your business can be a make-or-break moment. We hope our checklist can guide you through the process.

Tick off our essential rebranding checklist items as you go to ensure your project goes without a hitch.

To make things easy, we've split the checklist into four manageable stages of the rebranding process:

- **Planning**
- **Execution**
- **Implementation**
- **Measurement**

Let's get started!

**DIGITAL**SILK

# Rebranding Checklist

## Planning

- ☐ Identify why your rebrand is necessary
- ☐ Establish measurable goals
- ☐ Audit your current brand touchpoints
- ☐ Consider the scope of your rebrand
- ☐ Find branding specialists

## Execution

- ☐ Analyze your market & trends
- ☐ Study competitors & create a positioning map
- ☐ Revisit your target audience personas
- ☐ Update your Mission, Vision & Values
- ☐ Redefine your Brand Voice & Tone
- ☐ Establish your new UVP
- ☐ Develop communication strategies
- ☐ Design or refresh your Logo

## Implementation

- ☐ Create your new Brand Guidelines
- ☐ Inform employees & stakeholders of the change
- ☐ Redesign & update your website
- ☐ Refresh your social media profiles
- ☐ Update physical brand collateral

## Measurement

- ☐ Track your KPIs
- ☐ Adjust your Strategy

# Congratulations! You've completed our comprehensive rebranding checklist.
